 Opposition No. 91167163  
S&L File No. L32018

Dear Jim:

Thank you for your letter dated July 21, 2006 with your expert's report (received here on July 26, 2006). As I noted previously, we have had difficulty with our schedules. We are attempting to provide suitable dates for the deposition of Ms. Pendleton between the second and fourth weeks of August, and should have the dates to you early next week. We have served to you a Fed. R. Civ. P. 30(b)(6) notice of deposition which sets forth a start date for taking a 30(b)(6) deposition of BJU. I would like to coordinate our deposition with your deposition to minimize travel, assuming that both will be conducted in South Carolina.

We expect to be able to provide the three additional items you requested to you some time next week.

Your expert's report was delivered to us on July 26, 2006. We expect to be noticing discovery on this shortly.

Please let me know if BJU is interested in a stipulation to make the discovery of record, e.g., the documents obtained through document requests, with a suitable reserve of rights to challenge any stipulated matter.

We recently obtained an advertisement that displays your client's Learning For Life mark, but which was not produced to us in response to discovery requests. We note that it is a little different from the documents you provided, e.g., the registered

trademark notice ® is used with the mark. A copy of the magazine cover and an advertisement from the magazine is attached. We intend to inquire about this in our upcoming deposition.

Finally, in your previous e-mail, you noted that your client does not wish to extend the opposition schedule. Nevertheless, due to our present schedule, we intend to move for a 30 day extension of time. Please let me know if you will consent to the extension or will oppose so that we can notify the Board either way.

Very truly yours,

## “More than just test scores”

At BJU Press, we're convinced that test scores can go only so far in measuring a student's understanding of the world in which he lives. Since we published our first textbook in 1974, we've been committed to an educational philosophy of giving students more than just good test scores—giving them the tools to succeed in life, in work, and in their witness.
